

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

There will be 380 new homes on the development which will provide:

- 65 affordable homes for rent and shared ownership.
- 2 equipped areas of play.
- Attenuation basin and separate pond.
- Public open space linked with cycle and foot paths.
- A new community centre and retail unit.

Site activity

- Phase 1-4 is now complete.
- Landscaping to be complete by March 2025.
- Road's surfacing to be complete by June 2025.
- Phase 5 & 6 working through final details prior to work commencing in Q1 2025.

Specific item

All services and drainage complete within Phases 1 – 4.

Timeline

- Phases 1 – 4 (plots 1 – 255) now to compete.
- There are still ongoing delays with the Small play park due for install. Updates will be issued as we get them
- Phases 5 & 6 (plots 256 – 380) due to start Q1 2025.
- Works ongoing for the roads within phases 1 – 2 to receive final surfacing. The footpaths have been topped with a phased approach to complete the area.

Managing Agent

The managing Agent for Harrington Park is Firstport. Key responsibilities include:

- Development inspections on a regular cycle.
- Providing proactive development updates to customers.
- Inspection of repair matters prior to action where required.
- Liaison with developers concerning defects in the common parts.
- Sourcing specialist contractors.
- The development will be handed to Firstport 6 months from the final home completing.

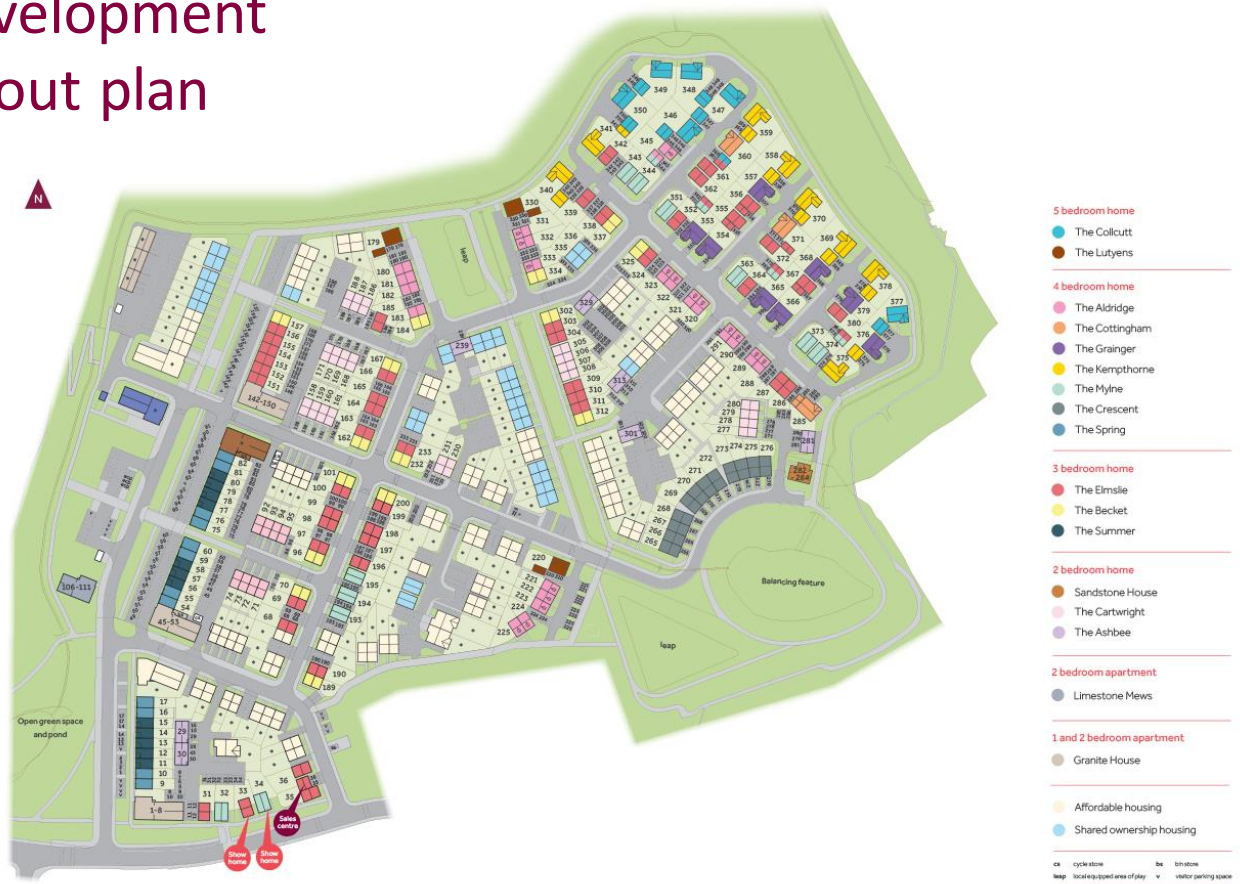

Ecology

- Bird and bat boxes to be fitted to new buildings; the equivalent of one bird or bat box per three nesting season (ie. Between October and February inclusive).
- Native woodland and scrub planting has been planted on the re-vegetated northern slope of the quarry.
- The SUDS pod has been created to the south-east of the site. This has been planted with a mix of native pond planting and wetland meadow planting
- Clearance of any suitable bird nesting habitat (trees and scrub) to be undertaken outside of the bird nesting season.

Services

- The initial billing of Gas and Electric will be through British Gas.
- Your home has an OFNL line terminating in a network termination socket. You should contact your chosen landline / internet service provider for this to be activated
- Water billing mains water and sewerage will be billed through South West Water.

Development layout plan

How will the development benefit the local community?

Harrington Park will also support the local community by contributing over £1,665,960 towards:

- £380,000 plus index-linked increase Local Education contribution
- £222,050 plus index-linked increase Local Transport contribution
