

# Park Gate

## Development update

Issue 3 | February 2025

### Keeping you updated!

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

### Overview

Summary of what's being built:

- 190 open market homes sold by Linden Homes
- 210 Pre-sold homes
- Local Areas of Play (LAPs) & Multi Use Game Area (MUGA) will be installed
- Multiple attenuation ponds, which are designed to capture any excess surface water and release it to a watercourse at a controlled rate, to be installed.
- Solar panels and EV Charging\*

\*To be installed to selected homes only

### Site activity

#### Site Opening Times

Mon-Fri: 8:00am-5:30pm

Saturday: 8:00am-1:00pm

- 130 open market homes now occupied.
- Selected footpaths to be topped and finished
- The Green; a selection of just 25 homes in a secluded area of Park Gate has recently launched.

## Timeline

- Roads and footpaths remedial works have begun and are on going
- Spine road joining the Park Gate development to our sister development The Crescent is now open.
- Final occupations are estimated for early 2026
- The Green is now reserving – The Green a stunning new phase of 3 and 4 bedroom homes set in a peaceful, secluded location within our Park Gate development in Kidderminster. Each home will feature a superior finish, with high-quality upgrades that set them apart with occupations expected from Summer 2025 onwards.

## Ecology

- Bird boxes and Bat houses will be installed in a variety of locations across the development as part of our habitat creation strategy.
- Bat sensitive street lighting install and ongoing surveys are carried out to monitor roosts & sizes of bat species.
- Provisions have been put in place for protected animal species.
- We are working in Partnership with the Bumble Bee Conservation Trust, ensuring that we are planting bee friendly landscaping across the development. This is part of a much larger initiative for Vistry Group, in our bid to help protect our wild bees, wildlife and climate.
- A new species of dragon fly to the County has adopted our Park Gate Site!
- The Woodland Walk, which sits around the entire development will be installed for all residents to enjoy. Elements of this are already open and in use.

## How will the development benefit the local community?

The development will support the local community by contributing over £2.6m towards:

- Education
- Health Care
- Travel
- We are also contributing £150,000 towards the football pavilion

We've also engaged with Wolverley CE Secondary School, who we have worked closely with. We have attended careers fairs based at the school, taking along trades from the development, such as brick-layers, plumbers, electricians etc, allowing the children to have a true insight to what is involved.

We also visited the school with the Bumble Bee Conservation Trust, educating the children on the importance of these insects.

Please be aware that the dates and information provided are correct at time of print/publication and are dependent on several factors, including weather, therefore are subject to change.

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
